phinisi villas

Some more information

Please give your instructions for breakfast at the beginning of your stay. You can adjust them on a daily basis.

All meals are charged at cost price +10% shopping fee.

Ketut will ask you to give him about 1.000.000Rp (a little more than 100$) and he will deduct the shopping and his fee and ask you to top up when the funds are not sufficient for the next meal. He will give you back the balance at the end of your stay

He will present you with the bills, please check them.

Please order 'family stye' : Up to 4 dishes (e.g. : a starter, a main course, a dessert and one more dish for the children).

If you want to have staff at the villa after 6pm to serve the food please let them know in advance. They will charge 40.000Rp per hour per staff. We always recommend to have at least 2 staff for 8 people or more.

If you plan to have a party, please contact Ketut as we have to inform the local authorities. They will negociate with them and let you know if they charge a fee.
